Grand Slam for Seniors

This virtual village has been created with seniors in mind. Web-surfing seniors will find web sites on topics such as financial planning, senior health programs and senior fitness. From Grand

Slam Junction you can visit places around the country without leaving your armchair!

health information provided by
LaurusHealth

LaurusHealth

Crozer-Keystone is proud to bring you LaurusHealth, an on-line health information resource, including details on over 400 illnesses and conditions, 2,400 prescription & over-the counter medications, as well as the latest feature My LaurusHealth! It takes just a

few minutes to complete the health quotient questionnaire, which summarizes your health status, and

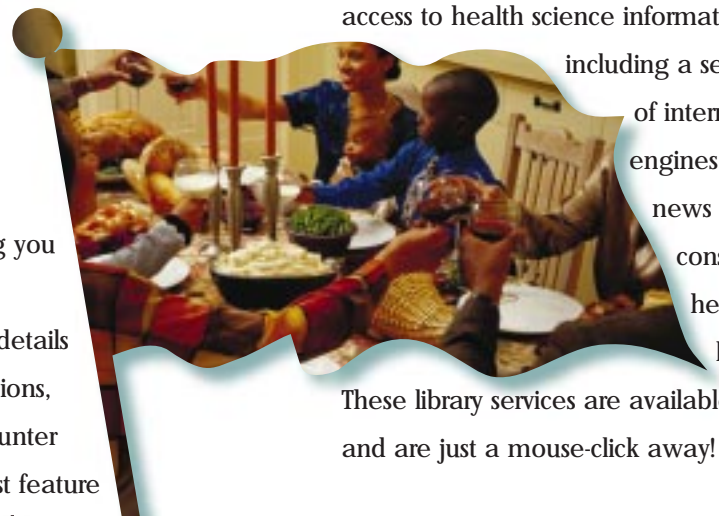

offers recommendations. And check out the on-line health record. Health Record allows you to store and maintain personal health information for you and your family. My LaurusHealth provides you with the latest health information custom tailored to meet your needs.

Virtual Library

Crozer-Keystone's Virtual Library provides access to health science information,

including a selective list of internet search engines, medical news and a consumer health library.

These library services are available to you and are just a mouse-click away!
